Privacy Policy

This Privacy Policy applies to: https://www.munna.io
Miral recognizes the importance of maintaining your privacy. We value your privacy and appreciate your trust in us. This Policy describes how we treat user information we collect on https://www.munna.io and other offline sources. This Privacy Policy applies to current and former visitors to our website and to our online customers. By visiting and/or using our website, you agree to this Privacy Policy. https://www.munna.io is a property of Profformance Technologies Pvt. Ltd., New Delhi.

What personal information do we collect from the people that visit our blog, website or application?

When ordering or registering on our site, as appropriate, you may be asked to enter your name, email address, mailing address, phone number, credit card information or other details to help you with your experience.

When do we collect information?

We collect information from you when you register on our site, respond to a survey, fill out a form or enter information on our site or provide us with feedback on our products or services.

How do we use your information?

We may use the information we collect from you when you register, make a purchase, sign up for our newsletter, respond to a survey or marketing communication, surf the website, or use certain other site features in the following ways: To personalize your experience and to allow us to deliver the type of content and product offerings in which you are most interested

- To improve our website in order to better serve you.
- To allow us to better service you in responding to your customer service requests.
- To administer a contest, promotion, survey or other site feature.
- To quickly process your transactions.
- To ask for ratings and reviews of services or products
- To follow up with them after correspondence (live chat, email or phone inquiries)

How do we protect your information?

Our website is scanned on a regular basis for security holes and known vulnerabilities in order to make your visit to our site as safe as possible. We use regular Malware Scanning. Your personal information is contained behind secured networks and is only accessible by a limited number of persons who have special access rights to such systems, and are required to keep the information confidential. In addition, all sensitive/credit information you supply is encrypted via Secure Socket Layer (SSL) technology. We implement a variety of security measures when a user places an order enters, submits, or accesses their information to maintain the safety of your personal information. All transactions are processed through a gateway provider and are not stored or processed on our servers.

Do we use 'cookies'?

Yes. Cookies are small files that a site or its service provider transfers to your computer's hard drive through your Web browser (if you allow) that enables the site's or service provider's systems to recognize your browser and capture and remember certain information. For instance, we use cookies to help us remember and process the items in your shopping cart. They are also used to help us understand your preferences based on previous or current site activity, which enables us to provide you with improved services. We also use cookies to help us compile aggregate data about site traffic and site interaction so that we can offer better site experiences and tools in the future.
We use cookies to:
- Understand and save user's preferences for future visits.

- Keep track of advertisements.
- Compile aggregate data about site traffic and site interactions in order to offer better site

You can choose to have your computer warn you each time a cookie is being sent, or you can choose to turn off all cookies. You do this through your browser settings. Since browser is a little different, look at your browser's Help Menu to learn the correct way to modify your cookies.
If you turn cookies off, some features will be disabled. It won't affect the user's experience that make your site experience more efficient and may not function properly.
However, you will still be able to place orders .

Third-party disclosure

We do not sell, trade, or otherwise transfer to outside parties your Personally Identifiable Information unless we provide users with advance notice. This does not include website hosting partners and other parties who assist us in operating our website, conducting our business, or serving our users, so long as those parties agree to keep this information confidential. We may also release information when it's release is appropriate to comply with the law, enforce our site policies, or protect ours or others' rights, property or safety.
However, non-personally identifiable visitor information may be provided to other parties for marketing, advertising, or other uses.

Third-party links

Occasionally, at our discretion, we may include or offer third-party products or services on our website. These third-party sites have separate and independent privacy policies. We therefore have no responsibility or liability for the content and activities of these linked sites. Nonetheless, we seek to protect the integrity of our site and welcome any feedback about these sites.

Google

Google's advertising requirements can be summed up by Google's Advertising Principles. They are put in place to provide a positive experience for users. https://support.google.com/adwordspolicy/answer/1316548?hl=en
We use Google AdSense Advertising on our website.
Google, as a third-party vendor, uses cookies to serve ads on our site. Google's use of the DART cookie enables it to serve ads to our users based on previous visits to our site and other sites on the Internet. Users may opt-out of the use of the DART cookie by visiting the Google Ad and Content Network privacy policy.
We have implemented the following:
- Re-marketing with Google AdSense
- Google Display Network Impression Reporting
- Demographics and Interests Reporting
- DoubleClick Platform Integration

We, along with third-party vendors such as Google use first-party cookies (such as the Google Analytics cookies) and third-party cookies (such as the DoubleClick cookie) or other third-party identifiers together to compile data regarding user interactions with ad impressions and other ad service functions as they relate to our website.

Opting out:

Users can set preferences for how Google advertises to you using the Google Ad Settings page. Alternatively, you can opt out by visiting the Network Advertising Initiative Opt Out page or by using the Google Analytics Opt Out Browser add on.

Demographic information:

We may collect demographic information about you, or any other information provided by your during the use of our website. We might collect this as a part of a survey also.

Other information:

If you use our website, we may collect information about your IP address and the browser you're using. We might look at what site you came from, duration of time spent on our website, pages accessed or what site you visit when you leave us. We might also collect the type of mobile device you are using, or the version of the operating system your computer or device is running.

We collect information in different ways:

We collect information directly from you. We collect information directly from you when you contact us. We also collect information if you post a comment on our websites or ask us a question through phone or email.
We use information to respond to your requests or questions. We might use your information to confirm your registration for an event or contest. We use information to improve our products and services. We might use your information to customize your experience with us. This could include displaying content based upon your preferences. We use information to look at site trends and customer interests. We may use your information to make our website and products better.
